

Lanterns Rock Creek Metropolitan District Technology Accessibility Statement

Lanterns Rock Creek Metropolitan District is committed to providing equitable access to our services to all Coloradans.

Our ongoing accessibility effort works towards being in line with the Web Content Accessibility Guidelines (WCAG) version 2.1, level AA criteria. These guidelines not only help make technology accessible to users with sensory, cognitive and mobility disabilities, but ultimately to all users, regardless of ability.

Our efforts are just part of a meaningful change in making the District's services inclusive and accessible. We welcome comments on how to improve our technology's accessibility for users with disabilities and for requests for accommodations to any District services.

Feedback and support

We welcome your feedback about the accessibility of the District's online services. Please let us know if you encounter accessibility barriers. The District is committed to responding within three (3) business days.
